### Personal Data Processed and Sources of Data

We collect two types of your personal information: User and Technical Data.

User data is collected when signing up and using TechChill services, filling out a form created by TechChill and subscribing for the newsletters. User Data includes [1] the first and last name, [2] address, [3] telephone number, [4] e-mail address, [5] location when using the services, [6] payment details, and any optional data you may have added. All the information has been provided voluntarily by the Users.

The Technical Data is automatically collected through the authorised third-party service providers. Technical Data includes but is not limited to [1] browser data, [2] country, [3] operating system, [4] type of device, [5] the URL path before and after visiting our website.

### Your Rights

#### Right to Access

You have the rights to access all Data and the way we process it by contacting us directly.

#### Right to Correct

You have the rights to correct or complete incorrect and/or incomplete Data stored by TechChill. This can be done by contacting us directly.

#### Right to Deletion

You have the rights to request the erasure of your Data from our systems. We will comply with such request unless we have a legitimate ground to not delete the data.

#### Right to Object

You have the rights to opt-out from all marketing communications. This may lead to having fewer possibilities to use our services or receive updates.

#### Right to Restriction of Processing

You have the rights to restrict from processing your Data. This may lead to having fewer possibilities to use our services or receive updates.

### Right to Data Portability

You have the right to access all Data collected by TechChill in a structured and commonly used format and transmit it to a third party.

### How to Use Your Rights

You may use the rights mentioned above by sending us a request. To confirm your identity, the information included in such request must be but is not limited to a copy of a valid ID, full first and last name, address and phone number. We may request a repetitive and/or additional information.

### Links to Other Sites

This website may contain links to the third-party websites. We do not take any responsibility regarding your Data security or content of any external links or services.

### Changes to This Privacy Policy

It can be updated from time to time to reflect new regulations and practices. We advise you to review this Policy regularly and pay attention to the notifications sent out accordingly. All changes are effective when published on techchill.co.
